Joe Ott comes to the Auditorium, Monday, Feb. 3d, in his latest satire entitled, "The Star Gazer." The new play is excruciatingly funny and decidedly original. The theme illustrates the whims and foibles of a peculiar type of gentry, whose insane desires to revolutionize the heavenly bodies is, indeed, a very happy idea. There are few, if any, comedians upon the stage who have created more loquacious endorsement and hearty press comment than this latter-day fun extractor. As perfect as the glove fits upon the hand, just so admirable is Mr. Ott adjusted into the character in his new play. He has surrounded himself with an unusually clever support, while the mountings, music and general scenic display is another leaf ahead of the farce comedy world.

SLEEPY, DULL,

languid and morose, is the way you feel when your liver fails to do its work properly; in consequence you suffer from indigestion, biliousness, and dyspepsia. You have a "don't care" spirit and a "played out" feeling, and everything tires you.

To set the liver in action, purify and enrich the blood, and to strengthen and vitalize the whole system, take Dr. Pierce's Golden Medical Discovery. Having a peculiar tonic effect upon the lining membrane of the stomach and bowels, it makes a lasting cure of all stomach, liver and bowel disorders. By increasing the blood supply, as well as enriching it, all the organs of the body are strengthened, and the nerves are fed on pure, rich blood.

Neuralgia is the "cry of the starved nerves for food"; nervous debility and exhaustion, sleeplessness and nervous prostration are in most instances the direct result of a starved condition of the blood. The true way to cure these ailments permanently is to take the "Golden Medical Discovery," which was discovered and prescribed by an eminent physician, Dr. R. V. Pierce, at present chief consulting physician and specialist to the Invalid Hotel and Surgical Institute, Buffalo, N. Y. If you want a medical opinion on your case, write him. It will cost you nothing.

A Book of 136 pages on "Diseases of the Digestive Organs" will be mailed to any address on receipt of postage, six cents. It contains names, addresses and reproduced photographs of a vast number of people who have been cured of dyspepsia, "liver complaint," chronic diarrhea, and kindred ailments by the use of "Golden Medical Discovery."

"LIVER COMPLAINT."

Climax, Kalamazoo Co., Mich.
Dr. R. V. Pierce, Buffalo, N. Y.:
Dear Sir:—A few days symptoms were heartburn and fullness after eating; sometimes pain in my bowels and bad taste in my mouth; sometimes I was feverish, with hot flushes over skin. After taking your "Golden Medical Discovery" I was relieved of all these symptoms and I feel perfectly well. Yours truly,

Charles Book.
